

The Integrated Waste Management System of the Future

Is 75% diversion a realistic goal by 2015?

What will be the role of the manufacturer and the consumer?

How will proposed State legislation help or hinder meeting realistic goals?

2005 Western Regional Symposium

Wednesday, May 18, 2005

1:15 PM to 2:45 PM

Horizon Hotel, Edgewood Room

PANELISTS:

Rosario Marin

Integrated Waste Management Board Chair

Rosalie Mulé

Integrated Waste Management Board Member and Permitting & Enforcement Committee Chair

David Roberti

BioEnergy Producers Association

John Abernethy

Sacramento County Department of Public Works

Kip Lipper*

Consultant to President pro Tem Don Perata (Oakland)

Chuck White

Waste Management, Legislative Advocate

Yvette Agredano

SWANA Legislative Advocate

*invited, not yet confirmed
